A paragraph using the objects in their list to describe their personal object, why it's meaningful

① ~~My laptop is black like a shiny hair, light as a feather.~~

~~You can smell the coffee~~

~~The smell of coffee that are on the side of my laptop flying~~

⑤ ~~as I type~~ it just sounded like horses on the run, running approvingly dead!

~~when I get my hands on it~~ it's cursor blinking at me

④ with shivering cold, and sweating heat

③ I convey my work with it.

every time I use it everyday, I see a face shiny back on me

⑥ accompanied with the smell of coffee on the side
